

Rated Canvas and Vinyl Bags

Estex Manufacturing is introducing a new margin of **SAFETY** into its standard product line of buckets. Estex's reputation of producing suitable, high quality, long lasting products is known in every market and industry it serves. The proof of our superior quality is now printed on the bag, proving once again that Estex is your industry leader in both quality and **SAFETY**.

COMPLIANCE CORNER

Best Practices

WHAT IS **WORKING LOAD LIMIT**?

Working Load Limit refers to an assessment of the maximum load an item can lift in a particular configuration/application.

Estex Rated Canvas and Vinyl bags give you the security of knowing they've been independently tested and proven. Check integrity before each use.
